- *** The Commission on Cancer urged implementation of TNM staging of all sites as of 1989 but did not require it until 1991.
- H SEER permitted treatment codes for cases diagnosed in 2003 to be submitted in either Third Edition or Third Edition Revision 1 format. Contact SEER or your SEER central registry for further information.
- ^U Updated pages/errata were released after publication. See the following list for internet sources for these documents, or contact the publishing organization's web site for a copy.

^{**} TNM staging of breast cancer was required as of 1982, prior to the second edition
