

# Curriculum Vitae

## Edward J Trapido, Sc.D.

### I. CONTACT INFORMATION

Edward J. Trapido, Sc.D., F.A.C.E.  
Associate Dean for Research  
Professor and Wendell Gauthier Chair of Cancer Epidemiology  
Deputy Director for Population Sciences, Stanley S. Scott Cancer Center  
Sr. Liaison to Dean of the School of Medicine for Interprogram Research

Street Address:  
LSUHSC School of Public Health  
2020 Gravier St., 3<sup>rd</sup> Floor  
New Orleans, LA 70112  
Phone 504-568-5772  
Cell: 504-451-4545  
Fax: 504-568-5701  
[Etrapi@lsuhsc.edu](mailto:Etrapi@lsuhsc.edu)

### II. HIGHER EDUCATION

Institutional:

School of Public Health Harvard University Boston, Massachusetts	Sc.D.	1981
School of Public Health Harvard University Boston, Massachusetts	Sc.M.	1977
School of Public Health University of North Carolina Chapel Hill, North Carolina	M.S.P.H.	1974
State University of New York Stony Brook, New York	B.A.	1973

Non-Institutional:

Genetic Epidemiology	2014
Elsevier Editor Training	2013
CEPH Site Visitor Training	2012
Advanced Security in the Field 2, United Nations	2012
Advanced Security in the Field, United Nations	2011
Basic Security in the Field, United Nations	2011
Molecular Epidemiology	
NCI	2005
Budget Workshop	2003

## National Institutes of Health

Congressional Operations Workshop 2003  
Government Affairs Institute, Georgetown University

American College of Epidemiology 2001  
Molecular Genetics for Epidemiologist

Evaluation Principles  
Course, American Evaluation Association 1999

Course in Molecular Epidemiology, Tufts University 1997

Course in Internal Medicine 1983  
National Institutes of Health (NIH)

Certification, licensure: Fellow, American College of Epidemiology  
American College of Surgeons (Elected Associate Member)  
Society of Behavioral Medicine (Elected Member)

### **III. EXPERIENCE**

2015- Chair, Steering Committee for Tobacco Free Florida for the Louisiana Cancer Research Consortium

2015- Chair, Deepwater Horizon Research Consortium

2014- Advisory Council, Harmony Health Study, Harmony, FL

2014- NIEHS-EPA Reviewer of Applications for "Social Determinants of Environmental Health Centers

2014- Developer of Bachelors of Science in Public Health (BSPH) degree program, LSUHSC and LSU A&M

2014 Appointed as advisor to the International Atomic Energy Agency's Program on Action For Cancer Therapy, for Tanzania and Ghana

2013-2014 Appointed Chair of External Advisory Committee for Plan Esperanza, the Cancer Control Effort for Peru

2013-2016 Appointed Vice Chair of 2016 Meeting of Epidemiology Congress of the Americas

2013- Appointed as Senior Research Fellow to International Prevention Research Institute (Lyon, France) and liaison to Directors of National Cancer Institutes (from countries around the world) annual meeting

2013-2014 Approved as member of Society of Behavioral Medicine (SBM) and Liaison between American College of Epidemiology and SBM

2013 External Advisory Committee, Clemson University

2012-13 President and Chairman of the Board of Directors, American College of Epidemiology

2012-13 Editor in Chief, Epidemiology (OMICS) on line

2012 NIEHS Grant Reviews: Oceans and Health P01 Applications, Fogarty International Center, R03 Applications

2011, 2012 Planning Committee, ASPH Associate Deans Annual and Semi-Annual Meetings

2011- Executive Leadership Council, New Orleans American Cancer Society

2011- Planning Committee, American College of Epidemiology Annual Meeting

2010-2011 Scientific Steering Committee: International Cancer Control Congress IV

2010- Director of Evaluation for Programme of Action for Cancer Therapy, International Atomic Energy Agency, (Vienna, Austria)

2010-2011 Co-Director, Gulf Health Research Consortium

2010- Coordinator for Research on the Gulf Oil Spill, LSU Health Sciences Center

2010- Associate Dean for Research, LSU School of Public Health

2010-2011 Co-Director, US Japan Cancer Consortium on Tobacco and Alcohol Biology, Epidemiology, Prevention and Control, and Policy

2009- Professor and Wendell Gauthier Chair of Cancer Epidemiology  
Deputy Director for Population Sciences, Stanley S. Scott Cancer Center  
Sr. Liaison to Dean of the Schools of Medicine and Public Health

2009- Leader, Research Invigoration Strategic Committee, LSUSPH

2009- Voluntary Professor of Epidemiology, University of Miami Miller School of Medicine

2009 Board of Directors, Resident Scholarly Activities Program

2008-2009 Appointed to IOM/NAS Committee Looking At Second Hand Smoke and CHD

2008-2009 Senior Liaison, International Prevention Research Institute

2008-2009 Acting Director, Division of Epidemiology

2008-2009 Senior Advisor, Sylvester Comprehensive Cancer Center

2008-2009 Senior Advisor, Florida Cancer Data System

2007-9 Professor, Dept. of Epidemiology and Public Health, University of Miami Miller School of Medicine; Director, Global Research and Epidemiology Center

2007-9 Chief Evaluator, Area Health Education Center, for Monroe and Miami-Dade County Tobacco Cessation Training Program

2007-9 Director, University of Miami and Jackson Memorial Medical Center HIV/AIDS Surveillance System

2007-2008 Senior Advisor to the Director, International Agency for Research on Cancer

2006-7 Senior Advisor for International Research, DCCPS, Office of the Director

2006 Deputy Director, Office of International Cancer Control, Office of the Director, NCI

2002-2006 Associate Director, Epidemiology and Genetics Research Program, Division of Cancer Control and Population Sciences, National Cancer Institute (NCI), Bethesda, Maryland

2003-2006 Acting Director, Division of Cancer Control and Population Sciences for Issues Related to FDA Request for Approval of New Breast Implants  
US/NIH ByPass Budget Co-Champion for NCI Budget related to "Genes and the Environment"  
US/NIH ByPass Budget Reviewer: (1) Tobacco Research, (2) Cancer Centers and SPORES  
US - Japanese Cancer Consortium, Liaison from the Division of Cancer Control and Population Sciences  
Deputy Director for the Extramural Division Directors of NCI  
Divisional Representative to "Bold New Initiatives" in Molecular Epidemiology

1997 - 2007 Vice Chairman and Professor, Department of Epidemiology & Public Health (DEPH), University of Miami School of Medicine (UMSM) (on leave)

1997 Associate Director, DEPH

1995 Acting Director, Biostatistics Shared Resource, Sylvester Comprehensive Cancer Center (SCCC)

1995-98 Director of Graduate Faculty, DEPH

1995-Present Director of Ph.D. Program, DEPH

1994-Present Professor, DEPH

1991-2006 Chief, Division of Cancer Prevention and Control/Cancer Epidemiology/Population Studies, SCCC, (on leave)

1990-91 Congress Chairman, and Director of Scientific Programs, Interamerican Cancer Congress

1990-91 Secondary Academic Appointment, DEPH; Changed to Primary Appointment, 1991

1990 Associate Professor and Award of Tenure, UMSM

1989-2005 Associate Director, SCCC (on leave)

1988-89 Chief, Division of Epidemiology and Biostatistics, Department of Oncology/SCCC

1986-88 Chief, Division of Biostatistics, Department of Oncology/SCCC

1988-89 Co-Director, Fogarty International Fellowship Training Program

1987-88 Program Leader for Epidemiology, Comprehensive AIDS Program, UMSM

1986 Project Director, Florida Cancer Data System (FCDS)

1986-2002 Principal Investigator, Cancer Information Service (CIS) for Florida and Puerto Rico

1986-87 Chief, Division of Cancer Epidemiology, SCCC

1985-86 Associate Director for Epidemiologic Studies and Instruction, Masters in Public Health Program, University of Miami (UM) (MPH)

1984-88 Assistant Professor, Department of Oncology, UMSM

1984-86 Epidemiologist for FCDS and SCCC  
 1983-84 Project Officer Training Course and Certification, NIH  
 1981-84 Staff Fellow, Environmental Studies Section, Division of Cancer Etiology, Epidemiology and Biostatistics Program, Environmental Epidemiology Branch, NCI  
 1980-81 Research Associate, Department of Epidemiology, Harvard School of Public Health, Boston, Massachusetts  
 1977-19 Research Fellow, Department of Epidemiology, Harvard School of Public Health, Boston, Massachusetts  
 1976-78 Clinical Instructor, Department of Environmental Medicine and Community Health, Downstate Medical Center, Brooklyn, New York  
 1974-76 Instructor, Department of Environmental Medicine and Community Health, Downstate Medical Center, Brooklyn, New York

## PUBLICATIONS

### Books and Monographs Published:

## **V. PROFESSIONAL**

21. Funded Research Performed:

## Federal Grants and Contracts

### Current:

Agency: NIEHS 1U01ES021497-01 (PI)  
Title: Women and their Children's Health Study  
Annual Direct Costs: \$754,937 (Total Estimated \$3,800,000)  
Period of Support: 6/27/2011-4/30/2016

Agency: NIEHS R21 ES 020061 (PI)  
Title: Health Effects of MC252 Gulf Incident  
Total Costs: \$: \$602,907  
Period of Support: 11/15/2010-10/31/2014

### Prior Support:

*(Please note that between 2002 and 2008, I was a federal employee at the NIH, in an extramural program, unable to receive grants or contracts). It became possible to apply for NIH funding beginning in 2009.*

Agency: NCI NO2-01002-75 (P.I.)  
Title: Florida, Puerto Rico, and USVI Cancer Information Service  
Annual Direct Costs: \$4,348,331  
Period of Support: 10/99 - 10/04

Agency: CDC U50CCU419315-01 (P.I.)  
Title: Florida Comprehensive Cancer Control Initiative  
Total Costs: \$707,465  
Period of Support: 9/30/00-9/29/03

Agency: NIH [Baylor University Subcontract] (P.I. for Florida)  
Title: Redes en Accion: Cancer Awareness Training and Research  
Total Costs: \$79,999 (current year)  
Period of Support: 03/01/00-02/28/04

Agency: NIH 1 U01 CA59379-06 [University of Texas Subcontract] (P.I. for Florida)  
Title: National Hispanic Leadership Initiative on Cancer  
Total Costs: \$486,443  
Period of Support: 1/15/93-9/29/97  
Continuation granted from 10/01/98-09/29/99

Agency: NIH 1 U01 CA59379-06 (supplement)  
Title: National Hispanic Leadership Initiative on Cancer  
Total Costs: \$37,949  
Period of Support: 09/30/99-02/29/00

Agency: NIH 1 U01 CA59379-06 (supplement)  
Title: National Hispanic Leadership Initiative on Cancer  
Total Costs: \$60,000  
Period of Support: 10/01/97-9/29/98

Agency: NCI and National Coalition of Spanish Speaking and Mental Health Organizations (COSSMHO)  
1U01CA59375-02S1 (Jane Delgado, P.I.) (P.I. for Florida)  
Title: National Hispanic Leadership Initiative on Cancer (COSSMHO)  
Annual Direct Costs: \$55,000  
Period of Support: 1993-1998

Agency: NCI and National Coalition of Spanish Speaking and Mental Health Organizations (COSSMHO)  
(extension)

1U01CA59375-02S1 (Jane Delgado, P.I.) (P.I. for Florida)  
Title: National Hispanic Leadership Initiative on Cancer (COSSMHO)  
Annual Direct Costs: \$32,000  
Period of Support: 10/01/97-02/27/98

Agency: NCI CA/ES/AG-94-005 (Project Leader)  
Title: Breast Cancer Research Program  
Annual Direct Costs: \$260,586  
Period of Support: 9/94 - 9/98

#### State of Florida Awards

Agency: DOH (P.I.)  
Title: HIV/AIDS Surveillance System for University of Miami and Jackson Memorial Medical Center and Community Clinics  
Annual Direct Costs: \$98,000  
Period of Support: 7/1/08-6/31/09

Agency: DOH (Scientific Director) - 30% effort  
AHEC Tobacco Prevention Program  
Annual Direct Costs: \$2,000,000  
Period: Awarded yearly

Agency: DOH (P.I.)  
Title: Parental Impact on Youth Smoking  
Annual Direct Costs: \$200,000  
Period of Support: 06/01/01 - 06/30/02

Agency: DOH (P.I.)  
Title: Florida Tobacco Pilot Program  
Annual Direct Costs: \$1,719,048  
Period of Support: 01/01/00-12/31/00  
(Extended until 6/30/01 with \$1,790,000 additional funds)

Agency: DOH (P.I.)  
Title: Florida Tobacco Pilot Program  
Annual Direct Costs: \$4,300,000  
Period of Support: 04/98-06/99

Agency: DHRS/Florida LP046 (P.I.)  
Title: Florida Cancer Data System (FCDS)  
Annual Direct Costs: \$1,207,050  
Periods of Support: 1984-1987, 1987-1992, 1992-1995, 1995-1998, 1998-2003.

Agency: CDC (P.I.)  
Title: Enhancement of the Florida Cancer Registry  
Annual Direct Costs: \$839,940  
Periods of Support: 9/94 - 9/99

#### Others

Agency: Minnesota Department of Health (P.I.)  
Title: Target Market Media Campaign Evaluation  
Amount: \$300,000  
Period of Support: 2/02 - 6/04

Agency: Flight Attendants Medical Research Institute FAMRI (D. Lee, P.I.)  
Title: Influence of ETS on Health Status in Youth  
Annual Direct Costs: \$216,621  
Period of Support: 02/2002 - 06/2004

Agency: DOH (P.I.)  
Title: PIPSA  
Annual Direct Costs: \$30,000  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: D-FY-IT  
Annual Direct Costs: \$50,000 (current year)  
Period of Support: 01/01/00-06/30/01

Agency: DOH (P.I.)  
Title: Traffic Law and Substance Abuse Education (TLSAE)  
Annual Direct Costs: \$150,000  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: AHA Youth Fitness  
Annual Direct Costs: \$130,000  
Period of Support: 01/01/00-06/30/01

Agency: DOH (P.I.)  
Title: Science, Tobacco and You  
Annual Direct Costs: \$84,934  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: Full Court Press  
Annual Direct Costs: \$50,000 (pending)  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: Eglin Long Horn of Night Shade County  
Annual Direct Costs: \$51,233  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: Know Smoking  
Annual Direct Costs: \$142,601  
Period of Support: 01/01/00-06/30/00

Agency: DOH (P.I.)  
Title: Artful Truth  
Annual Direct Costs: \$60,750  
Period of Support: 01/01/00-06/30/00

Agency: Steel Beach (P.I.)  
Title: Evaluation of Enforcement Program  
Annual Direct Costs: \$65,000 (current year)  
Period of Support: 8/00-1/01

## 22. Editorial Responsibilities:

Editor-in Chief. Epidemiology On Line (OMICS) 2013. Resigned due to their unethical practices.

Associate Editor, Annals of Epidemiology. 2007-

Editorial Board, Journal of Environmental and Public Health 2008- (on journal board). Resigned 2013 because of size of workload.

Associate Editorial, American Journal of Health Promotion-2005-

Second Hand Smoke Exposure and Acute Coronary Events. Institute of Medicine. Washington, D.C. In Press, National Academy Press, 2009.

No Time to Lose: Getting More from HIV Prevention; Institute of Medicine. Washington, D.C. National Academy Press. 2001.

Handbook on Conducting Drug Abuse Research with Hispanic Populations, 1999-2000, NOVA Research.

Co-Editor, Proceedings of the Biennial Congress of Cancer in Minorities, 1997.

Review Papers for: Journal of the National Cancer Institute, American Journal of Epidemiology, Cancer, Cancer Letters, JAMA, International Journal of Epidemiology, International Journal of Cancer, Epidemiology, Cancer Causes and Control, Public Health Reports, Family Health International, American Journal of Health Promotion, Cancer Practice, Preventive Medicine, Cancer Epidemiology Biomarkers and Prevention, Journal of Health Communication.

Guest editor, American Journal of Health Promotion.

Book editing (technical and substantive assistance):

- 1983-84 Boice J, Fraumeni J. Radiation Carcinogenesis. Epidemiology and Biological Significance. New York: Raven Press. 1984. 489 pp.
- 1973-75 Clark D, MacMahon B. Preventive and Community Medicine. Second Edition. Boston: Little, Brown and Company. 1981. 794 pp.

Professional and Honorary Organizations:

- 2012-2013 President, American College of Epidemiology  
2011-2012 President Elect, American College of Epidemiology  
2008- Secretary, American College of Epidemiology  
2007- Board Member Liaison to Ethics Committee and Member of Strategic Planning Committee, American College of Epidemiology  
2006-7 Chair, Education Committee, American College of Epidemiology  
2005-10 Board Member, American College of Epidemiology  
2005 Committee Member, Access Team, C-Change (National Dialog on Cancer)  
2004-5 Board Member, Florida Breast Cancer Coalition Scientific Steering Group  
2004-5 Co-Chair, AACR Review Group on Behavioral Studies for Annual Meeting  
2005 Member, NCI Tobacco Research Opportunities Group  
2005 Planner, International Tobacco + Meeting  
2005 Co-Chair and NCI Representative, NIH Tobacco and Research Interest Group  
2004 Member, Planning Committee for 13<sup>th</sup> World Conference on Tobacco or Health  
2003-7 American College of Epidemiology, Board of Directors  
2000 Executive Committee, Redes en Accion  
2000 Course/Workshop Director: Empowerment of Youth for Community Activities

2000 Institute of Medicine Committee to Draft National HIV Prevention Policy  
 1998-2001 ACS (National) Study Section on Behavioral Research  
 1999-2002 Member, Review Committee, California Cancer Research Program  
 1997 Chair, Ad Hoc Study Section on Master Agreements (NCI)  
 1997-98 Associate Director for Education, Southeastern Cancer Genetics Research Consortium  
 1997-2000 Chair of the Advisory Committee to the Board of Directors, NAACCR  
 1995-97 Re-appointed to Executive Committee of the Governor's Cancer Control Research and Advisory Board (CCRAB)  
 1995 Honorary Membership, Pre-Med Society, Alpha Epsilon Delta, Florida International University  
 1994 Chair, Minority Subcommittee, CCRAB  
 1994- Member, Society for Epidemiologic Research  
 Member, American Public Health Association  
 Member, International Association for Breast Cancer Research  
 Member, South Florida Demographic Association  
 1994-95 Executive Committee, JNCI Monograph on Cancer in Hispanics  
 1994-97 Member, Society of Surgical Oncology  
 1994-96 Member, ACS Florida Division Inc., Breast Screening Consortium  
 1994- Member, American Association for Cancer Research  
 1993-95 Chair, Minority Subcommittee, Governor's Cancer Control and Research Advisory Board  
 1993-95 Member, NCI Cancer Control Hispanic Researchers Consortium  
 1992-95 Executive Committee of the Governor's Cancer Control Research and Advisory Board (CCRAB).  
 1992-97 Order of the Red Sword, ACS, and Board of Directors, Dade County Unit  
 1992-97 Executive Committee, National Hispanic Leadership Initiative on Cancer for COSSMHO  
 1992-97 Executive Committee, National Hispanic Leadership Initiative on Cancer for University of Texas Health Science Center  
 1992-93 Advisory Committee for the Second North American Conference on Cancer in Hispanics  
 1991-92 Data Advisory Board, NCI Database Intervention (DBI), Florida Department of Health and Rehabilitative Services  
 1988-90 Appointed by Governor Bob Martinez to Cancer Control Research Advisory Board (CCRAB). Reappointed 1990-1994  
 1987-88 Hispanic Cancer Control Advisory Committee, NCI  
 1986-90 Cancer Information Service Advisory Board  
 1985- 90 Data Use and Epidemiology Subcommittee, Florida Cancer Control Research Advisory Board  
 1984-88 ACS Aging and Wellness Committee

#### 24. Honors and awards:

2006 NCI Director's Award for Work on Cancer Cohort Consortium  
 2005 Award for 20 Years at University of Miami  
 2005 Award for Leadership of Florida Cancer Data System  
 2004 Nominated by President Shalala for (national) Tobacco Award  
 2001 Award recipient at NAACCR Annual Meeting  
 2001 Award recipient at "The 23<sup>rd</sup> Annual Oncology Update"  
 1996 National Award Recipient for Partnership with the CIS and the National Hispanic Leadership Initiative on Cancer  
 1995 Honored by Alpha Epsilon Delta, Florida International University  
 1994-95 Listed in Who's Who in South and Southwest; Who's Who in the Southeast;  
 Listed in NIH Publication: "Current Bibliographies in Medicine;"  
 Recognized for Presentation on Pediatric Tumors, in Caracas, Venezuela;  
 Selected Chair of Special Grant Review Committee, by the NIH.  
 Award for work on UM/SCCC/JMMC Cancer Committee  
 Special Recognition Award for work with CIS; Named CIS-NHLIC national liaison

Selected to give special presentation at MD Anderson Cancer Center.  
 Reappointed to Minority Issues Editorial Board of Journal of Health Promotion  
 Appointed to Board of Editors for JNCI Monograph on Cancer Among Hispanics.  
 Chosen by Natl. Coalition of Hispanic Health & Human Services Organizations to design their national outreach program

1992 Cited as one of the leading cancer experts in the country by Prevention Magazine  
 Honored for work on Breast Cancer Summit, by Vice President and Mrs. Marilyn Quayle, Vice President's Home, March 1992.  
 Honored for work on South Florida Breast Cancer Summit, by the Susan G. Komen Foundation, September 1992.

1978-80 Fellowship, Department of Biostatistics, Harvard School of Public Health, Boston, MA  
 1978-80 Fellowship, Department of Epidemiology, Harvard School of Public Health, Boston, MA  
 1975-81 Exxon Fellowship, Harvard School of Public Health, Boston, MA

25. Post-Doctoral fellowships: None

26. Other professional activities (papers presented and speaking engagements):

Trapido E. Presentations about Gulf Oil Spill: NIEHS, National Academy of Sciences, Joint Subcommittee on Ocean Science and Technology, American College of Epidemiology, 2011-2012, National Cancer Institute Directors Global Meeting, 2013

Trapido E. Evaluation of International Cancer Control Programs: Seoul, Korea, 2011.

Trapido E. Invited Presentation: Cancer Control Applications: International Society of Nurses in Cancer, Warsaw, Poland, 2011.

Trapido E. Presentation on Data Retention. ASPH Associate Deans Annual Meeting.

Trapido E. Cancer In Latin America. Presented at the 32nd Annual Meeting of the Sciencey for Generalit Internal Medince, 2009.

Trapido E. Chronic Disease and Interventions in Latin America. Presented at the 32nd Annual Meeting of the Sciencey for Generalit Internal Medince, 2009.

Trapido E. Multiple Presentations at: National Cancer Advisory Board; Board of Scientific Advisors; NCI Executive Committee; American College of Epidemiology, American Association of Cancer Research; Trans-NIH Tobacco and Nicotine Research Interest Group, International Epidemiology Conference, Molecular Epidemiology Group of AACR

Trapido E. Opportunities and Issues in Cancer Funding. Presented at the first meeting of the International Lung Cancer Research Consortium, Orlando, Florida, March 31, 2004.

Trapido E. The Cohort Consortium. Presented at the First Meeting of European EPIC Cohort Study of Hormone Variants in Breast and Prostate Cancer, Cambridge, England, March 11, 2004.

Trapido E. NCI and Breast Cancer and the Environment. Presented at Breast Cancer and Environment Health Centers Semi Annual Meeting, Georgetown, Washington, D.C., February 25, 2004. (Keynote Speaker)

Trapido E. NCI Interests in Cohort Studies. Presented at US Japan Cancer Consortium, San Diego, California, February 6, 2004.

Buehner T, Trapido E. Youth Advocacy and Tobacco Prevention Outcomes. Presented at the 2003 National Conference on Tobacco or Health, Boston, Massachusetts, December 9 -13, 2003.

Trapido E, Ellestad A, Sly D, Arheart K, Rodriguez R. Recent Progress in Minnesota's Target Market Media Campaign. Presented at the 2003 National Conference on Tobacco or Health, Boston, Massachusetts, December 9 - 13, 2003.

Sly D, Arheart K, Trapido E. Psychosocial Dimensions of Minnesota Target Market Participants' Attitudes and Beliefs. Presented at the 2003 National Conference on Tobacco or Health, Boston, Massachusetts, December 9 - 13, 2003.

Trapido E. Haplotypes and Cancer Epidemiology. Presented at Linking Haplotypes and Genetic Variation with Cancer Risk, Detection, Prevention and Treatment Workshop, Bethesda, Maryland, December 4, 2003.

Ma F, Fleming L, Lee D, Trapido E. A Retrospective Cohort Study of General Mortality in Florida Firefighters. Presented at the American Public Health Association Annual Meeting, San Francisco, California, November 15-19, 2003.

Trapido, E. Cancer Genetics Network. Presented the NCI Board of Scientific Advisors Meeting, Bethesda, Maryland, June 2003.

Trapido, E. Cancer, Genetics and Hispanics. Presented at the 2003 Hispanic/Latino Genetics Community Consultation Summit, Washington, D.C., June 23, 2003.

Trapido, E. Cancer Among Hispanics: What We Know, What We Don't Know. Presented at the Intercultural Cancer Council, San Juan, Puerto Rico, May 2003. (Keynote Speaker)

Trapido, E. Understudied Cancer of High Lethality. Presented at the NCI Executive Committee Meeting, Bethesda, Maryland, May 2003.

Trapido, E. Epidemiology and Genetics Research: The View from NCI. Presented at the National Hispanic Medical Association Annual Meeting, Washington, D.C., February 2003.

Trapido, E. Epidemiology and Genetics Research: Updates from NCI. Presented to Cohort Consortium, Case Control Consortium, NCI Executive Committee, NCI Extramural Division Directors' Meeting, Bethesda, Maryland, January - June 2003.

Trapido, E. Priorities in Epidemiology and Genetics Research: An NCI Update. Presented at AACR Molecular Epidemiology Conference, Waikaloa Village, Hawaii, January 22, 2003.

Trapido, E. Directions in 2003: Update from the NCI. Presented at Colon Cancer Family Registries Annual Steering Committee Meetings, Waikaloa Village, Hawaii, January 20, 2003.

Trapido, E. Update from the Epidemiology and Genetics Research Program. Presented at Breast Cancer Family Registries Annual Meeting, Waikaloa Village, Hawaii, January 19, 2003.

Trapido E., Rodriguez R., Parental Communication about Rules and Cigarette Smoking Uptake among Youth. Presented at the 2002 National Conference on Tobacco or Health, San Francisco, California, November 19 - 21, 2002.

Trapido E., Luke G., Rodriguez R. From Conceptualization to Implementation - Evaluating Minnesota's Target Market Youth Movement and Media Campaign. Presented at the 2002 National Conference on Tobacco or Health in San Francisco, California, November 19-21, 2002.

Lee D, Trapido E. Elementary School Compliance with CDC Guidelines for the Prevention of Tobacco Use. Presented at the 2002 National Conference on Tobacco or Health, San Francisco, California, November 19 - 21, 2002.

Trapido E., Lee D. Parental Monitoring and Cigarette Smoking Uptake among Youth. Presented at the 2002 National Conference on Tobacco or Health, San Francisco, California, November 19 - 21, 2002.

Trapido E. Cancer Mortality Among Florida Firefighters. Presented at the 130<sup>th</sup> Annual Meeting of the American Public Health Association, Philadelphia, Pennsylvania, November 9 - 13, 2002.

Trapido E. Validation of Self-Reported Tobacco Use and Environmental Tobacco Smoke Exposure among Adolescents. Accepted for Presentation at the First Annual Scientific Meeting of the International Society for the Prevention of Tobacco Induced Diseases, Essen, Germany, October 28 - 30, 2002.

Lee D, Trapido E. Correlates of Intention to Abstain from Tobacco Use: The Florida Youth Cohort Study. Accepted for Presentation at the First Annual Scientific Meeting of the International Society for the Prevention of Tobacco Induced Diseases, Essen, Germany, October 28 - 30, 2002.

Lee D, Trapido E. Environmental Tobacco Smoke and Self-Reported Earaches in Adolescents: The Florida Youth Cohort Study. Presented at the International Epidemiological Association XVI World Congress of Epidemiology, Montreal, Canada, August 18 - 22, 2002.

Brathwaite N, Charles S, Trapido E, Parker D. A Participatory Approach to Addressing Cancer Concerns in a Haitian Community in Miami-Dade County. Presented at the National Leadership Summit to Eliminate Racial and Ethnic Disparities in Health, Washington, D.C., July 10 - 12, 2002.

Brathwaite N, Domlesky J, Trapido E, Parker D. Cancer Education Planning: A Regional Collaborative Approach. Presented at the 20<sup>th</sup> National Conference on Health Education and Health Promotion, New Orleans, Louisiana, June 5 - 7, 2002.

Charles S, Brathwaite N, Trapido E, Parker D. Opinions and Attitudes Towards Cancer Among Leaders in the Haitian and Haitian American Community, Miami-Dade County, Florida. Presented at the Cancer, Culture and Literacy Conference, Tampa, Florida, May 16 - 18, 2002.

Lai H, Trapido E, Lin I, Lai S, Meng L. Mutations in the P53 Tumor Suppressor Gene in White Hispanic and White Non-Hispanic Women with Breast Cancer. Presented at the American Association for Cancer Research 93rd Annual Meeting, San Francisco, California, April 6 - 10, 2002.

Trapido E, Wise J. Florida's Tobacco Pilot Program: A Three Year Assessment. Presented at the 2001 National Conference on Tobacco or Health, New Orleans, Louisiana, November 27 - 29, 2001.

Trapido, E. Evaluation of the Florida Tobacco Pilot Program. Presented at the National Governors Association for Best Practices Meeting, Clearwater, Florida, January 10, 2001.

Trapido E, Weatherby N, Bauer U, Klein S, Garcia L, Hopkins R, Kershaw J, Wise J, Johnson T, Waters M. Impact of Community Anti-Tobacco Partnerships on Youth Tobacco Use and Committed Non-Smoking. Presented at the 128<sup>th</sup> Annual Meeting of American Public Health Association, Boston, Massachusetts, November 12 - 16, 2000.

Trapido E, Lagari V. An Assessment of a Propaganda Arts Program. Presented at 128<sup>th</sup> Annual Meeting of American Public Health Association, Boston, Massachusetts, November 12 - 16, 2000.

Klein S, Weatherby N, Bauer U, Hopkins R, Trapido E, Kershaw J, Wise J, Garcia L, Waters M, Winn K, Rodriguez R. Impact of New and Pre-existing Community Partnerships in Urban and Rural Counties on Youth Tobacco Use and Committed Non-Smoking. Presented at the 128<sup>th</sup> Annual Meeting of American Public Health Association, Boston, Massachusetts, November 12 - 16, 2000.

Sly D, Trapido E, et. al. Behavior Change and Maintenance During the Early Stages of the "Truth" Campaign: The Influence of a Counter-Advertising Media Campaign on Cigarette Uptake. Presented at the 128th Annual Meeting of American Public Health Association, Boston, Massachusetts, November 12 - 16, 2000.

Klein S, Weatherby N, Trapido E. Successes and Challenges in Conducting an Evaluation of Florida's Tobacco-Free Community Partnerships. Presented for Roundtable Discussion at Evaluation 2000 Conference, American Evaluation Association, Waikiki, Hawaii, November 1 - 5, 2000.

Weatherby N, Klein S, Bauer U, Garcia L, Hopkins R, Trapido E, Wise J. Comprehensive Tobacco Use Prevention Education, Cigarette Smoking and Committed Non-smoking Among Youth in Florida. Poster presentation, 11th World Conference on Tobacco or Health, American Cancer Society, American Medical Association, Robert Wood Johnson Foundation, Chicago, Illinois, August 6 - 11, 2000.

Klein S, Weatherby N, Bauer U, Hopkins R, Trapido E, Leffel B, Wise J. Comprehensive Tobacco Use Prevention Education in Florida Middle and High schools: The Impact of Community Partnership Education Activities. Presented at Annual Florida Epidemiology Meeting (AFEM), Gainesville, Florida, August 2 - 4, 2000.

Trapido, E. A Two Year Summary of Florida's Tobacco Pilot Program. Presented at the American Public Health Association Annual Meeting, 2000

Trapido, E. Barriers to Evaluating A Statewide Anti-Tobacco Program. Presented at the American Evaluation Association Annual Meeting 2000.

NCI: Alumni Lecture, 2000. Careers after NCI Fellowship.

Trapido, E. Lecture on Disbursement of Public Monies on Cancer Related Health Issues. Presented to the Virgin Islands Legislature, February 7 - 9, 2000.

Trapido, E. Lecture on Florida's Tobacco Pilot Program. Presented to the World Health Organization Conference, Margarita Island, Venezuela, December 14 - 18, 1999.

Trapido, E. The Florida Tobacco Control Program. Presented at the NCI's All Ireland Conference, Belfast, Northern Ireland, October 4, 1999.

Weatherby N, Trapido E. Florida's Tobacco Pilot Program Evaluation: A Component Based Summary of Findings. Presented to the Addiction Services Board, Miami-Dade County, Florida, September 22, 1999.

Trapido E, Carrazana C, Rodriguez R. Acculturation and Utilization of Mammography. Presented to Meeting the Challenges of Comprehensive Cancer Control, Centers for Disease Control and Prevention Annual Conference on Cancer Control, Atlanta, Georgia, September 8 - 10, 1999.

Trapido, E. Evaluation of Florida's Youth Tobacco Pilot Program." Presented at the Florida Cancer Data System's Annual Meeting, Clearwater, Florida, August 9, 1999.

Trapido E. Evaluation of Florida's Tobacco Pilot Program. Presented at the Fifth Annual Florida Epidemiology Meeting (AFEM), North Miami, Florida, July 29, 1999.

Weatherby N, Trapido E. Putting It All Together! Getting Down and Dirty...with Data. Presented to the Tobacco Control Program Summer Leadership Institutes, Saddlebrook, Florida June 21-23, 1999, Panama City, Florida July 12 - 14, 1999, Miami, Florida, July 26 - 28, 1999.

Trapido, E. Cancer in Minorities. Presented at the Florida Tumor Registrars Association Regional Oncology Workshop, Miami, Florida, June 11, 1999.

Trapido E, Wohler-Torres B, Fleming L, MacKinnon J. Cancer Among the South Florida Hispanic Community, North America Association of Central Cancer Registries Annual Meeting, April 6 - 8, 1999.

Trapido E, Rodriguez R. An Evaluation of Florida's Media Campaign Against Tobacco. Presented at the 2nd European Conference on Tobacco or Health, Las Palmas, Canary Islands, February 25, 1999.

Trapido, E. Experiences and Lessons in Performing Cancer Research Within Hispanic Communities. Presented at the 1998 NIH Hispanic Heritage Observance and Health Fair, Washington, D.C., September 15, 1998.

Panelist: Needs Assessment, Conference Overview, and Opening Challenge; Panelist: Synopsis and Synthesis; Speaker: Changing Demographics. Cancer Culture and Literacy Conference, Clearwater Beach, Florida, April 30 - May 2, 1998.

Trapido E, MacKinnon J, Strickman-Stein N. The Impact of a Natural Disaster on Cancer Diagnoses. Presented at the NAACCR Annual Meeting, Vancouver, British Columbia, April 21, 1998.

Ho A, Fleming L, Trapido E. Soft Tissue Sarcoma (STS), Pesticides and Waste in Florida. Presented at the NAACCR Annual Meeting, Vancouver, British Columbia, April 21, 1998.

Trapido E, Obeso J, Krishan A, Ramachandran C, Hamilton K. Cancer Susceptibility in South Florida's Diverse Populations. Presented to The American Society of Preventive Oncology Meeting, 1998.

Trapido, E. Cancer Epidemiology in Florida. Presented at the Joint Cancer Conference, Orlando, Florida, February 27, 1998.

Trapido E, Obeso J, Krishan A, Ramachandran C, Hamilton K. Genetic Polymorphisms in South Florida's Diverse Populations. Presented at the Miami Nature Biotechnology Winter Symposium, Miami, Florida, February 1998.

Presentation, Baylor University: En Accion in Miami. Five Years of an Intervention Program, 1997.

Testified on "Cancer in Hispanics" to a Capitol Hill Congressional Committee at the 6th Biennial Symposium on Minorities, the Medically Underserved & Cancer, Washington, D.C., April 24 - 25, 1997.

Trapido E, Obeso J, Rotger A, Hamilton K. Sun Exposure and Risk Factors for Skin Cancer Among Hispanics in Dade County. Presented at the Third Annual Florida Epidemiology Meeting (AFEM), 1997.

Richman S, Smith S, Trapido E, McCoy H, McCoy C, Lojko S, Jean-Francois A. Breast Cancer Knowledge, Beliefs and Practices of Women Attending a Community Based Screening Program. Poster, Psychosocial and Behavioral Factors in women's Health: Research, Prevention, Treatment and Service Delivery in Clinical and Community Settings. Sponsored by the American Psychological Association. Washington, D.C., September 19 - 21, 1996.

"Breast Cancer Awareness" presentation to the 15th Annual Broward Aging Network conference, Broward Community College, Broward County, Florida, May 6 - 7, 1996.

Trapido, E. Recruiting Hispanics into Clinical Trials. Presented at NIH Conference on Increasing Minority Recruitment into Clinical Research 1996.

Trapido, E. Skin Cancer Among Hispanics. Presented at the APHA Annual Meeting, San Diego, California, 1995.

Trapido, E. The Epidemiology of Breast Cancer in Western Europe and the U.S. Presented at National Cancer Registrars Association (and Session Chair), Miami Annual Meeting, 1995.

Trapido, E. Breast Cancer Epidemiology. Presented to the European School of Oncology, Miami Beach, Florida, 1995.

Trapido, E. Descriptive Epidemiology - Latino/Hispanic Populations. Moderator for Concurrent Session II, NAACCR, Annual Conference, San Francisco, California, 1995.

Trapido, E. Cancer Among Hispanics in Florida. Presented at Concurrent Session II, NAACCR, Annual Conference, San Francisco, California, 1995.

Trapido, E. Denominator Problems for Florida's Populations. Presented at Concurrent Session III, NAACCR, Annual Conference, San Francisco, California, 1995.

Trapido, E. Differences in Risk Factors by County of Origin. Presented at Plenary II Session, NAACCR Annual Conference, San Francisco, California, 1995.

Trapido, E. Pediatric Tumors. Presented at Primer Congreso de Tumores Pediatricos, Caracas, Venezuela, November 1994.

Raub W, Jr., Lewis N, Sridhar K, Benedetto P, Trapido E. Changing Trends in Tobacco Smoking History in Patients with Lung Cancer. Presented at the ASCO Annual Meeting, Orlando, Florida, May 16 -18, 1993.

Robinson D, Trapido E, Love N, Lewis N. Impact of Financial Status and Race/Ethnicity on Cancer Survivorship. Presented to the Program Committee of the Society of Surgical Oncology, Los Angeles, California, March 20, 1993.

Speyer J, Trapido E. Breast Cancer Summit of South Florida: Lessons Learned. Abstract for poster session at National Annual Meeting of the American Association for Cancer Education, Houston, Texas, November 1993.

Pundik C, Kornfeld J, Trapido E, Speyer J. Low Literate Health Education Materials for Hispanic Migrants. Presented at the American Public Health Association Conference, San Francisco, California, October 1993.

Trapido, E. Cancer Among Minorities: (Keynote Speaker), American Association of Central Cancer Registries, Annual Meeting, 1992

Waldman S, Raub W, Trapido E. Breast Carcinoma: A Retrospective Epidemiologic Study of 1984 Cases. San Antonio, Texas, December 6, 1991.

Trapido E. Cancer Among Hispanics in Florida. North American Conference on Cancer in Hispanics, Tucson, Arizona, September 12 - 14, 1991.

Trapido E. Cancer Among Hispanic Immigrants. Interamerican Cancer Congress, Miami Beach, Florida, July 16, 1991.

Chitwood D, McCoy C, Trapido E, Chitwood J, Comerford M, Page J. Epidemiology of Crack Use Among Injecting Drug Users and Sex Partners. VII International Conference on AIDS, Vol. 2, p. 372, Florence, Italy, June 16 - 21, 1991.

Inciardi J, Chitwood D, McBride D, McCoy C, McCoy H, Rivers J, Trapido E. Sex for Crack Exchanges and HIV Risk. VII International Conference on AIDS, Florence, Italy, June 1991.

Trapido E, McCoy C, Chitwood D, Resnick, L. Cultures from Shooting Gallery Needles and Syringes. VI International AIDS Conference, Vol 1: p. 273, San Francisco, California, June 20 - 24, 1990.

Trapido E, McCoy C, Chitwood D, Resnick L, Comerford M, Colon H, Robles, H. Culturing HIV-1 From Shooting Gallery Needles and Syringes Collected From Florida and Puerto Rico. VI International AIDS Conference, Vol 1: p. 273, San Francisco, California, June 20 - 24,1990.

McCoy H, McCoy C, Trapido E, Chitwood D, McKay C, Vogel J. AIDS Risk Behavior Change in Female Sexual Partners of IVDU's. VI International AIDS Conference, Vol 2: 272; San Francisco, California, June 20 - 24,1990.

Trapido, E. The Utilization of Demographic and Epidemiologic Data in Targeting Risk Groups for Community Interventions. Presented at the Southern Regional Demography Meetings, Louisville, Kentucky, 1990.

Trapido, E. An Early Detection Program for Breast Cancer. Presented at the Society of Epidemiologic Research Annual Meeting, Snow Bird, Utah, 1990.

McCoy C, Trapido E. AIDS in Hispanic Populations. Presented at Puerto Rican Medical Association, San Juan, Puerto Rico, November 1989.

McCoy H, Trapido E, Inciardi J, McBride D, McKay C. Sexual Activities of IV Drug Users With Multiple Sex Partners. Abstracts of the V International Conference on AIDS, p. 766. Montreal, Canada, June 4 - 9, 1989.

Inciardi J, Chitwood D, Trapido E, McKay C. Needle Sharing Behaviors and HIV Serostatus in Miami, Florida. Abstracts of the V International Conference on AIDS, p. 790. Montreal, Canada, June 4 - 9, 1989.

Chitwood D, McCoy C, Comerford M, Trapido E. Risk Behaviors of IV Cocaine Users: Implications for Intervention. Abstracts of V International Conference on AIDS, p. 134. Montreal, Canada, June 4 - 9, 1989.

Comerford M, Chitwood D, McCoy C, Trapido, E. Association Between Former Place of Residence and Serostatus of IVDUs in South Florida. Abstracts of the V International Conference on AIDS, p. 106. Montreal, Canada, June 4 - 9, 1989.

Trapido E, McCoy C, Chitwood D, McCoy H, Inciardi J. Diseases Other Than AIDS Among IV Drug Users. Abstracts of the V International Conference on AIDS, p. 485. Montreal, Canada, June 4 - 9, 1989.

Chitwood D, Comerford M, McCoy C, Trapido E. Blood Sale and Donation Behavior of IVDUs. Abstracts of the V International Conference on AIDS, p. 84. Montreal, Canada, June 4 - 9, 1989.

Trapido E, McCoy C, Chitwood D, McCoy H. Perception of Health and AIDS Risk Behaviors Among IV Drug Users. Abstracts of the V International Conference on AIDS, p. 792. Montreal, Canada, June 4 - 9, 1989.

McCoy H, McCoy C, Chitwood D, Trapido E, McKay, C. AIDS Knowledge and Sources of Information about Aids Among IV Drug Users. Abstracts of the V International Conference on AIDS, 900. Montreal, Canada, June 4 - 9, 1989.

Trapido E, McCoy C. Culturing HIV-1 from IV Drug Using Paraphernalia. Presented at Second Estonian National Conference on Infectious Diseases, Estonia, USSR, November 1989.

McCoy C, Trapido E. AIDS in Belle Glade. Presented at First NADR Meeting, Rockville, Maryland, October 1989.

Trapido, E. Cultivation of HIV-1 from Shooting Gallery Needles and Syringes. Second Estonian Conference on Infectious Diseases, Estonian Soviet Federated Socialist Republic, USSR, 1989, (First invited presentation by American Scientist).

Trapido, E. AIDS In Puerto Rico. Presented at the Puerto Rico Medical Association Annual Meeting, 1989.

Chitwood D, Comerford M, McCoy C, Trapido E, Page JB, McBride D, Inciardi, J. Epidemiology of HIV Among IV Drug Users in Miami. Abstracts of the IV International Conference, Vol. 1, p. 452. Stockholm, Sweden, June 1988.

Chitwood D, McCoy C, Trapido E. Health and Social Consequences of Cocaine Use. Presented at the 15th International Meeting of the Institute on the Prevention and Treatment of Drug Dependence, 1986.

Chitwood D, McCoy C, McBride D, Trapido, E. Health and Social Consequences of Cocaine Use, In: Responding to a World of Drugs: Intentional and Unintentional Effects of Control Treatment and Prevention. International Council on Alcohol and Addictions, April 1986.

Trapido, E. Cancer Registries and Their Application to Cancer Epidemiology and Cancer Control. Presented at the International Association of Cancer Registries Meeting, 1986.

Trapido, E. Cancer Among Hispanics. Presented at NCI sponsored COSSMHO meeting, 1986.

Trapido, E. Estrogens and Cancer. Presented to the Florida Tumor Registrar's Association, 1985.

Trapido, E. Cervix Cancer Among Hispanics. NBC-TV, 1985.

Trapido, E. Epidemiology at the University of Miami. Presented to the Society for Epidemiologic Research, 1985.

Trapido, E. Cancer Control in Florida. Presented to the University of Alabama, 1985.

Trapido, E. Preliminary Results of Study of Second Primary Tumors Following Treatment for Choriocarcinoma. Presented to NCI, 1985.

Trapido, E. Estrogen Replacement Therapy and Benign Breast Disease. Presented to the Society for Epidemiologic Research, 1984.

Trapido, E. Estrogens and Breast Cancer. Presented to NCI, 1984.

Trapido, E. Estrogens and Breast Cancer. Presented to the Society for Epidemiologic Research, 1984.

Trapido, E. Oral Contraceptives and Cancer of the Cervix. Presented to NCI, 1984.

Trapido, E. Oral Contraceptives and Cancer of the Endometrium. Presented at the Thirteenth International Cancer Congress, 1982.

Trapido, E. The Health Effects of Oral Contraceptives. Presented to Harvard University, 1981.

#### Invited outside lectureships

Ministry of Health of Peru, 2013

Sri Lanka National Cancer Control Committee, 2012

Mayo Clinic, December 2005

FCDS 30<sup>th</sup> Annual Meeting, August, 2005

University of Florida, Gainesville, July, 2005  
University of South Florida, 2003  
Legacy Foundation, January 26, 2000.  
Race, Ethnicity and Cancer presented at Tulane University, New Orleans, LA, March 24, 1998.  
M.D. Anderson Cancer Center, University of Texas, Seminar Series, 1995.  
Fundación Amigos del Niño con Cáncer, conference in Venezuela, 1994.  
Breast Cancer Leadership Summits. Invited Talk, NCI, January 1993.  
Cancer Among Hispanics. University of Texas Health Science Center, February 1992.  
Cancer Interventions in Dade County. NCI, April 1993.  
En Accion; Iniciativa Hispana Contra el Cancer. New York, June 1993.  
Cancer among Hispanics. University of Arizona Symposium, October 1991.  
Keynote Speaker, 15th Florida Tumor Registrar's Association, 1990.  
Second Estonian Conference on Infectious Diseases, 1989.  
Puerto Rico Medical Association, Annual Meeting, 1989.  
Cancer Control, Andrews University, 1988  
Florida Association of Tumor Registries, 1986, 1987, 1988, 1989, 1990.  
Colon Cancer Conference, Daytona Beach, 1985.

#### Visiting Professorships:

Oakridge Associated University - Visiting Scholar's Program.

#### Consultantships:

Presently: None

Previously:

- Martzell and Bickford
- Florida Power & Light
- Smith, Helms, Mulliss & Moore, LLP
- Florida Department of HRS
- Harvard University School of Public Health
- UMSM (Pediatrics, Medicine, Neurology, Obstetrics, Psychiatry, Family Medicine, Dermatology)
- NCI: Environmental Epidemiology, Family Studies Programs, Division of Cancer Prevention, and Control, Office of Cancer Communications
- ABT Associates, Inc.
- Westat, Inc.
- ORI, Inc.
- N.W. Dade Community Mental Health Center, Inc., Miami, Florida
- Children's Hospital Medical Center, Boston, Massachusetts
- Harvard Dental School
- Harvard Medical School
- Miami Information Systems, Inc.
- South Florida Blood Service
- CIGNA
- Florida International University
- University of Puerto Rico School of Public Health
- Department of Drug Addiction Services, Commonwealth of Puerto Rico
- Office of Management and Budget, U.S. Federal Government

#### Study Section and Council Memberships:

2009- Various Study Sections for Centers for Scientific Research, NIH (6 study sections)

2008 Health of the Population, Health of the Population SEPs (Ad-Hoc)  
2008 Infectious, Reproductive, Asthma, and Pulmonary (IRAP) Conditions Health of the Population Integrated Review Group (Ad-Hoc)

2000 HIV Strategies Committee  
1998 ACS Peer Review Committee on Psychosocial Behavioral and Policy Research  
1998 VA Merit Application Review Committee, Institute of Medicine, NAS  
1995 Geriatric & Rehabilitation Med SS Spec Emp Pan Study Section, ZRG4 GRM, 1995 (Chair)

1995 NIH Predoctoral Grant Reviews  
1993-97 Member, Epidemiology and Disease Control Study Section, NIH  
1992-93 State of Nebraska Cancer Control Review Committee Control Study Section, NCI  
1990-91 Ad Hoc Reviewer for NCI  
1989 External Reviewer for ACS (National)  
1988-91 Ad Hoc Grant Review Committees and Site Visits, NCI  
1987-89 Ad Hoc Study Sections, NIAID  
1986 Hispanic Cancer Control Program, NCI  
1985 New York State Department of Health  
1982-84 Contract Internal Review Committees, NCI

Other:

2013-2016 Co-Organize, North American Congress of Epidemiology  
2013 Co-Organizer, American College for Epidemiology Annual Meeting, Louisville, KY.  
2003 Co-Organizer, American College for Epidemiology Annual Meeting, Chicago, Illinois.  
2000 National Advisory Committee Member, The National Alliance for Hispanic Health  
1995 Co-Investigator, Hispanos - Usando Medios-Multiples para determinar la adecuacidad en la nutricion (HMDA). Study by JWK International Corp. Sponsored by National Institute of Diabetes and Digestive & Kidney Diseases, NIH.

1995-96 Leader, Hialeah Cumbre Contra el Cáncer  
1995-96 Chair, Conference on Issues in Ethnicity Coding  
1992-97 Appointed to be the liaison between the only two National Hispanic Leadership Initiatives on Cancer Projects in the United States

1990-90 Co-Organizer and Scientific Director, Pan American Health Organization/ Florida Tumor Registrar Association International Cancer Congress, 1991

1989-93 Appointed, as the single representative of all non-federally funded cancer registries to committee on Establishing A Uniform Cancer Registry Database (jointly sponsored by the NCI and the American Association of Centralized Cancer Central Registries)

1988-89 Organized Florida Working Group, and Elected Chair, for National Hispanic Cancer Control Program of the NCI. (described in: Division of Cancer Prevention and Control. Hispanic Cancer Control Program. NCI, 1989.)

1988-89 Reviewer for Year 2000 Goals, NIH  
1987-89 Responsible for design for more than twelve ongoing, federally funded, peer reviewed studies, in AIDS and in Cancer. The design of the "Community Outreach Project" (NIDA funded R18 grant) looks at interventions designed to reduced AIDS transmission among IV drug users, and has served as the model upon which NIDA has built a national program.

1987 Testified before the National Cancer Advisory Board.  
1987-88 Reviewer for concepts presented to Board of Scientific Counselors, (NCI, NIAID, NHLBI, NIOSH, NIMH)

1987-88 Devised first link between AIDS Surveillance system and state tumor registry, the FCDS.  
1986-89 Expanded usual role of epidemiology for etiologic studies into studies of community interventions, cancer control, clinical trials, natural history studies.

1982-83 Developed Tracing Management System, with Westat, Inc., Rockville, MD.  
1978-80 Developed Software for Analyzing Person-Years Data, Harvard University, Boston, MA.

## **VI. TEACHING**

27. Teaching awards received: None

28. Teaching Specialization:

Courses taught:

2014	Cancer Epidemiology LSU SPH (Epid 6222)
2012	Cancer Epidemiology LSU SPH (Epid 6222)
2011-14	Epidemiology Seminar LSU SPH (Epid 6213)- (every fall and spring semester)
2010	Cancer Epidemiology, LSU SPH (Epid 6222)
2010	Cancer Epidemiology Intensive Course (U Miami)
2008	Introduction to Epidemiology (EPH 521)
2000	Cancer Epidemiology (EPH 611)
1995	Cancer Epidemiology (EPH 611)
1994	Lectures on cancer epidemiology, cancer in minorities, general epidemiology, registries and surveillance systems, cancer prevention, cancer control, advances in cancer
1989-91	Chronic Disease Epidemiology (lectures on cancer epidemiology)
1990-92	Co-organized a course for Oncology Residents; lectured on cancer epidemiology, biostatistics, and clinical trials  Oncology Seminars (Two lectures to UMSM sophomore class)
1987-89	Introduction to Epidemiology (taught portions of course) Chronic Disease Epidemiology (portions of course) Biology of Cancer (lectures) Senior level Cancer Mechanisms Course (lectures)
1985-87	Introduction to Epidemiology (responsible for entire course) Advanced Epidemiology (lectures) Chronic Disease Epidemiology (responsible for entire course) Biology of Cancer (lectures) Senior level Cancer Mechanisms Course (lectures)
1984-85	Introduction to Epidemiology (taught major portion of course) Advanced Epidemiology (lectures) Chronic Disease Epidemiology (one-quarter of course) Biology of Cancer (lectures) Senior level Cancer Mechanisms Course (lectures) Oncology Seminars (Two lectures to UMSM sophomore class)

Teaching Activities:

2000 New Student Orientation Committee

1992-93 Presentations to house staff in other departments (on cancer epidemiology or biostatistics)  
Lectures to Oncology Nurses (quarterly)

29. Thesis and Dissertation Advising/Post-doctoral student supervision:

PhD Mentoring

<b>Year, Institution</b>	<b>Last Name</b>	<b>First Name</b>	<b>Current Position (note: *-currently a student)</b>
2000, U Miami(UM)	Colon	Hector	Associate Professor, Center for Addiction Studies, Universidad Central del Caribe, Bayamon, Puerto Rico
2001, UM	Lai	Hong	Associate Professor, Ophthalmology, Wilmer Eye Institute at Johns Hopkins, Baltimore Maryland
2002, UM	Stein	Nancy	Research Associate Professor, Medicine, UM School of Medicine, Veterans Affairs, Veterans Administration Medical Center, Miami, Florida
2003, UM	Persaud	Navindra	Director of Strategic Information and Prevention Unit, Family Health International, Guyana
2003, UM	Ma	Fangchao	Director of Illinois Tumor Registry, Dept. of Health
2004, UM	Saint-Jean	Gilbert	Research Associate Professor, Dept. of Epidemiology and Public Health; University of Miami Miller School of Medicine
2004, UM	Kirsner	Robert	Chairman, Department of Dermatology, University of Miami Miller School of Medicine. University of Miami Hospital
2005, UM	MacKinnon	Jill	PI, Florida Cancer Data System, Sylvester Comprehensive Cancer Center, University of Miami Miller School of Medicine
2006, UM	Flores	Hermes	Chief of the Division of Gerontology and Geriatric Medicine, University of Miami Miller School of Medicine,
2006, UM	Broussard	Danielle	CDC/CSTE
2006, UM	Huang	Shi	Senior Research Associate, Center for Family Studies (DEPH), University of Miami Miller School of Medicine
2006-7, UM	Lemrow	Shannon	National Cancer institute
2007, UM	Manassaram	Deana	Centers for Disease Control and Prevention (CDC), Epidemiology and Surveillance Branch
2008, UM	Kornfeld	Julie	Assistant Professor, University of Miami School of Medicine
2009, UM	Grant	Yoran	Ministry of Health, Jamaica
2009-12	Penedo	Frank	Post-Doc, UCSF
2009-12	Caban-Martinez	Alberto	Post-Doc, Harvard
2009-11, UM	Sanchez-Brana	Elizabeth	Humana Health Care
2010-FIU	Refrew	Roderick	Finishing PhD*
2011-UM	Parris	Donald	Working on Dissertation, Baptist Health South*

2011-13, UBC	Sarwal	Kavita	U British Columbia (UBC)
2012- LSUSPH	Levitsky	Elizabeth	Working on Dissertation

2011-2000 Advising MPH and PhD Students, LSUSPH  
2000 Advising - first year Ph.D. Students DEPH  
1999 Advising - Ph.D. students (Ma and Persaud) DEPH  
Advising - MPH students (Carrazana, Thompson, Marcus) DEPH  
1996-97 Advising - Ph.D. students (Lai and Ma) DEPH  
Advising - MPH students (Skinner and Heck) DEPH  
1995-96 Advising - Ph.D. students (Lai and Stein) DEPH  
Advising - MPH student (Skinner) DEPH  
1995 Thesis Committee - (Lai and Kornfeld) DEPH  
1995 Ph.D. Thesis Advisors, University of South Florida School of Public Health  
1987-89 Thesis Committee Chairman/Member, DEPH  
1986-90 Dissertation Advising to Doctoral Student in Mathematics, UM  
1985-99 Master's Thesis and Dissertation, DEPH  
1981-83 Advisor to Doctoral and Master Students in Epidemiology - Harvard University

## **VII. SERVICE**

### 30. University Committee and Administrative Responsibilities:

2013 LSUHSC Faculty Conduct Investigation  
2012, 2013 LSUHSC Search Committee for Chair of Genetics  
2011- LSUSPH Administrative Council, SPH Research Committee, Epid PhD Exam Committee  
Strategic Plan Writing Committee, CEPH Self-Study Writing Committee, Dean's Cabinet,  
PhD Exam Writing Committee EPID P and T Committee  
1999-2003 Cancer Center Executive Committee, DEPH Senior Leader Committee, Department of  
Epidemiology P and T Committee, Search Committee for Faculty Hires,  
1998-99 Clinical Research Advisory Committee
