¹ Note that this sheet is merely a summary of Section Three of Policy JK-R. Please refer to the full policy for more detail.

² Gang-related activity at school is covered under the offenses listed in Type One through Type Five.

³ "Habitual disruption" is not an independent offense, but rather refers to a classification under state law in which persistent misconduct at any level can result in the student being declared "habitually disruptive," for which the student will be recommended for expulsion. See Section 4-2 of Policy JK-R for more information.

⁴ For these offenses, incidents are to be resolved without the involvement of law enforcement whenever possible. See Section 7-3 of Policy JK-R for more information.

⁵ This consequence is required under state law.

⁶ Recurring Type One offenses can eventually proceed to Type Two and Type Three, but shall never result in referral to law enforcement.

⁷ For Type Four offenses, if there has been a recommendation for expulsion, or a request for an extension of the suspension period made to the Superintendent or designee through Section 6-6 of this Policy, the principal has the option of extending the maximum three-day out-of-school suspension available under Section 3-1 by up to two days, for a total of five days, if deemed necessary for the safety of the school. See Section 6-4.

⁸ For Type Three offenses, if the student's presence in school presents a danger or severe disruption to the school and its occupants or additional time is needed to further investigate the incident, the principal has the option of extending the maximum one-day out-of-school suspension available under Section 3-1 by up to two days, for a total of three days. See Section 6-4.

⁹ If, after being asked to leave the school campus, the student refuses, then law enforcement may be notified.

¹⁰ Note that this column refers to the actions available to the school in response to a disciplinary incident, and does not address or limit the options available to individuals who may be victims of criminal activity. See Section 3-1 for more information.
