

## **CSv1: Collaborative Staging Manual and Coding Manual (Parts I and II)**

- Effective for cases diagnosed January 1, 2004 – December 31, 2009
- Version 01.03.00 issued 9/2006 includes notations indicating where revisions occurred since the original version was implemented
- Version 01.04.00 issued 10/2007
- **Part I**: an introduction to and the general rules of Collaborative Staging
- **Part II**: coding manual containing all the tables required to code CS
- [Online List of CSv1 Schemas](#)

## **CSv2: Collaborative Staging Data Collection System (Parts I and II)**

- Effective for cases diagnosed **January 1, 2010, and forward**
- Part I, Section 1**: **General CS Rules**
- Part I, Section 2**: **Lab Tests, Tumor Markers and Site-Specific Factor Notes**
- Part II**: **Collaborative Staging and Coding Manual (Site-Specific Schemas)**
- Version 02.02 originally effective for all reportable cases diagnosed 1/1/2010-12/31/2010
  - [Coding Instructions for 02.02](#)
  - Site-Specific Schemas for 02.02:
    - [Natural Order TNM Schema List](#)
    - [Alphabetical Order TNM Schema List](#)
- Version 02.03 effective for all reportable cases diagnosed 1/1/2011-12/31/2011
  - [Coding Instructions for 02.03](#)
  - Site-Specific Schemas for 02.03:
    - [Natural Order TNM Schema List](#) (Updated December 14, 2010)
    - [Alphabetical Order TNM Schema List](#) (Updated December 14, 2010)
- Version 02.04 is effective for all reportable cases diagnosed 1/1/2012 and forward
  - [Coding Instructions for 02.04](#) (Part I, Sections 1 & 2 downloads)
  - Site-Specific Schemas for 02.04:
    - [Natural Order TNM Schema List Version 02.04](#) (December 5, 2011)
    - [Alphabetical Order TNM Schema List Version 02.04](#) (December 5, 2011)

- **Version 02.05** is effective for all reportable cases diagnosed 1/1/2014–12/31/2015

- **Current version**: after CSv02.05 has been implemented, all cases need to be processed under CSv02.05 **regardless of diagnosis year**.

- **This will be the FINAL update to the CSv2 Collaborative Staging Data Collection System**

- [Coding Instructions for 02.05](#) (Part I, Sections 1 & 2 downloads)

- **Site-Specific Schemas for 02.05:**

- [Natural Order TNM Schema List Version 02.05](#)

- [Alphabetical Order TNM Schema List Version 02.05](#)

- **Beginning with cases diagnosed in 2016 (01/01/16) support of Collaborative Stage will cease and CDC, CoC and NCI will transition to direct coding of the AJCC TNM staging.**
