

LTR's Clarification on Skin Cancer Reporting

Only **skin** cancers in the **C44._** range within the ICD-O-3 manual **with histologies 8000-8005, 8010-8046, 8050-8084, 8090-8110** are **NOT REPORTABLE** to the Louisiana Tumor Registry.

All other skin cancers with histologies other than those listed above OR those listed in ICD-O-3 that are NOT in the C44._ range ARE REPORTABLE. This includes the following:

- Skin of labia majora C51.0
- Skin of penis C60.9
- Skin of scrotum C63.2
- Skin of vulva C51.9
