

## NAACCR Webinar Training Series

- The Louisiana Tumor Registry (LTR) is pleased to be able to provide access to recorded versions of relevant webinars at no cost to **our Louisiana registrars who actively submit cases to the LTR**. (*Newly employed registrars training to submit future cases to the LTR are also welcome to view the webinars.*)
- If you are no longer abstracting Louisiana cases and/or not currently employed as a Tumor Registrar but still need CEs to maintain your CTR certification, please consider attending one or more of the **monthly webinar viewings** held in your region. If you wish to attend any of these regional webinar viewing sessions, kindly contact your LTR regional coordinator (<http://sph.lsuhs.edu/contact-us2>) to make arrangements. If you reside within Regions 1 and 3 and wish to attend any of the “live” webinars held in New Orleans, kindly contact Lisa A. Pareti via email ([lparet@lsuhsc.edu](mailto:lparet@lsuhsc.edu)) or phone 504-568-5842.
- Are a valuable educational tool which provide comprehensive training, particularly for those webinars that are disease-specific, since information on anatomy, histology, Collaborative Stage coding, TNM, Summary Stage coding, multiple primary/histology coding, and coding of treatment data are contained within
- Exercises, answers, quizzes, and questions and answers are also included
- NCRA CE credits (3 per webinar) are available
- Schedule for current webinar series can be found at:  
<http://www.naacr.org/EducationandTraining/WebinarSeries.aspx>
- In order to take advantage of this **recorded** training, a [webinar request form](#) must be completed
- Once requested webinars are viewed, registrars **must follow** the LTR’s [Procedure for Receiving CE Credit for Recorded NAACCR Webinar Viewing](#) to assure smooth NCRA CEU reporting verification in the event you are audited
