

## December SGA Newsletter

### Letter from the SGA

Dear faculty, staff, and students,

Is it safe to say everyone survived finals? Well, we hope you all did great and are making up for the sleep missed while studying! As your SGA for the year, we want to express our appreciation to all of you for the support you have provided us throughout the first semester.

We have enjoyed seeing you at our meetings, volunteer events, and social gatherings, and we hope to continue seeing all of you throughout the next semester. Please stay posted for our SGA Spring Social that will happen shortly after the New Year starts! That's right; 2017 is coming to an end! We wish you all a happy holiday season and a happy New Year filled with success, health, and happiness!

Remember SGA is here for you and with you, so please reach out with any questions, concerns, or feedback.

With warm regards,  
SGA Officers
