Mission

To get you ready for the next step

- Finding, getting, and keeping a job
- Applying for, getting into, and surviving a health profession degree program

And to thrive

- Networking
- Building relationships
- *Having exposure to things you didn't know you'd really like*

Professional Development

To get you ready for the next step

- Finding, getting, and keeping a job
 - Writing and editing resumes and CV's, papers, and e-mails; practicing interview skills
- Applying for, getting into, and surviving another degree
 - Writing and editing academic papers, PhD and Med school applications

And to thrive

- Networking and building relationships
 - Career fairs, business cards
- *Having exposure to things you didn't know you'd really like*
 - Student jobs, research, and volunteer opportunities

USING YOUR RESOURCES

Professional Development

To get you ready for the next step

- Finding, getting, and keeping a job
 - Writing and editing resumes and CV's, papers, and e-mails; practicing interview skills
- Applying for, getting into, and surviving another degree
 - Writing and editing academic papers, PhD and Med school applications

And to thrive

- Networking and building relationships
 - Career fairs, business cards
- *Having exposure to things you didn't know you'd really like*
 - Student jobs, research, and volunteer opportunities

USING YOUR RESOURCES

Professional Development

Possible new stuff - This is where we need your help

- Resume and writing help
 - Online method of pairing students with faculty member or PhD student based on specific needs
 - Service currently offered by John Bourgeois in the library
- Mentorship program with alumni
 - Online method of pairing students with alumni for mentorship/internship based on career goals and questions
- Connecting student job opportunities to other schools and departments in HSC
- Workshops or seminars
- Financial coverage for conferences
- Tell us your needs and ideas! This is public health, after all.

****PLUG - Need students on the Professional Development committee****
