University Affairs Student Survey

- Thank you for participating!
 - A total of 50 people replied to the survey, the majority of which were students
 - Response rate: ~25%

University Affairs Student Survey

- Facility Improvement

- Dean has graciously offered to meet to talk about each of the facility improvement items mentioned in the survey
- If a facility improvement cannot not be fulfilled, it is not due to a lack of effort or concern from the SPH administration
- Most common suggestions:
 - Primary Lecture Hall (303): technology adjustment, more power outlets
 - Student Lounge: recreation, school spirit, computer updates
 - School of Public Health (2nd and 3rd floor): recycling bins, lockers, study spaces/rooms, printing services, adding character to our school

University Affairs Student Survey

- **Bookstore**

- More t-shirt and sweatshirt options
- Polo's and button-down shirts
- Family shirts
- Cups, mugs, water bottles
- ID clip, keychain

- **Graduation Rings**

- Out of 50 survey participants, only 13 expressed interest
- If there are a few people who are adamant about purchasing a ring, we can reach out to Josten's – just let us know

- **SPH Yearbook**

- 50/50 split for interest in an SPH yearbook
- Don't want to rule out the option, but will need as much help as I can get!
