The LSU Health Sciences Center at New Orleans (LSUHSC-NO) recognizes its responsibility to provide faculty and unclassified exempt staff with professional development activities, continuing education, and other external opportunities for extending learning and sharing expertise and discovery with the public. Furthermore, all LSUHSC-NO employees have a right to engage in certain outside employment that is consistent with state ethics laws and university policies.

At the same time, it is fundamental to the success of LSUHSC-NO’s mission that faculty and staff are available to perform the duties and responsibilities of their respective positions at their assigned work locations.

This policy defines allowable off-campus activities conducted by LSUHSC-NO employees, whether conducted within or outside the scope of employment, outlines other applicable policies and procedures governing the disclosure and approval of such activities, addresses the procedures for leave and travel, and ensures compliance with state law and university-wide policies.

II. SCOPE

This policy applies to all faculty and unclassified exempt staff (Employees).
