⁴ Leukemia & Lymphoma Society, Signs and Symptoms, 2023

⁺ Survival estimates are based on cases diagnosed 2009-2019 and followed through 2020

[#] Prevalence counts are an estimate of the number of survivors on 1/1/2020 who were diagnosed between 2000-2019.

LOUISIANA TUMOR REGISTRY

One of 22 NCI-designated SEER cancer registries that gather information about cancer cases to help guide policies for cancer prevention, early detection, diagnosis, treatment, prognosis and survivorship.

OUR MISSION

To collect and report complete, high-quality, and timely population-based cancer data in Louisiana to support cancer research, control, and prevention.

OUR VISION

To reduce suffering and death from cancer using information collected by the Louisiana Tumor Registry.
