## NEW ORLEANS

### School of Public Health

Nov 11, 2024,

Dear SoPH Community,

In this edition of our newsletter, we're excited to share some new workshops, webinars, and updated grant information:

#### NEWS

- The National Institutes of Health (NIH) wants to hear your experiences, insights and ideas to help shape the future of minority health and health disparities research efforts. Share your input on the NIH Minority Health and Health Disparities Strategic Plan, 2026-2030 at upcoming community virtual townhalls and respond to the newly released Request for Information ([NOT-MD-25-002](#)). [Learn more and register today](#). **Submission due December 31, 2024.**

#### Workshops, Webinars, and Short Courses:

- Advanced Practice Providers' Impact on Cancer Care Delivery: Bridging Research and Practice will be held on **Thursday, November 21, 2024, 11:00am - 12:00pm EST** Goals of this session is examining the integral role and competencies of APPs in clinical trials research. Explore current research initiatives led by APPs in oncology, including studies on treatment efficacy, patient satisfaction, and healthcare disparities. [[Register](#)]
