NEW ORLEANS

School of Public Health

Mar 3, 2025

Hope everyone has a wonderful and safe Mardi Gras! 🎭

NEWS

- READ (Research, Evaluation, Analysis, and Design) Center at the LSU School of Public Health (SPH) brings together all SPH faculty, staff, and students to offer comprehensive services supporting research and community health initiatives in Population Health. For more details, please visit our [website](#).

Workshops, Webinars, and Short Courses:

- As part of the Office of Grants' efforts to modernize Grants.gov, Simpler.Grants.gov recently debuted a new search feature to connect users with the right funding opportunities. The Council on Federal Financial Assistance hosted a "Big Demo" on January 15. To help applicants and grantors better understand the new feature, [Watch the Big Demo](#).
- **New Grand Challenges Requests for Proposals Announced.**

Five new Grand Challenges (GC) Requests for Proposals (RFPs) have been announced, inviting applications from eligible researchers and institutions. These initiatives aim to drive innovation in addressing critical global health challenges.
